Thank you for registering. For future reference, please save the following information so that we may be able to service you more effectively:

Your confirmation code is: 2021111201692120

What to expect next:

We regret that it may take some time to replace affected devices. The planned repair for the affected devices involves certain design changes, which in some markets may include review and/or authorization by the relevant regulatory agencies. We understand the impact of this issue and we sincerely regret this disruption.
